## From the Principal

Dear Parents & Friends,

Congratulations and Thank you to our new Parents & Friends Representatives:

**President:**  
Jenny Warn

**Assistant President:**  
Maree Regan

**Secretary:**  
Natasha Scanlon

**Assistant Secretary:**  
Rebecca Walker

**Treasurer:**  
Marisa Khan

**Assistant Treasurer:**  
Annie Pinto

In 2012 we will be working on a number of key school initiatives including:-

1. Improving our Mathematical knowledge and understanding as a whole community.
2. Developing **Parent Learning Forums** in conjunction with **Teacher & Student** learning days.
3. Understanding more about **Open & Flexible Learning Spaces**. In 2012 we will be

reviewing new plans and designs for building in 2013.

4. Creating opportunity for parents to spend time in **Faith Formation**. I would like to invite Fr Robert and Mrs Easton to share their faith through **"Reflection"** days.

5. Continuing our work on 2011 initiatives in our newly opened:
  - Catholic Early Learning Centre (CELC)
  - Catholic Out of School Hours Care (OOSH)
  - St Michael's Uniform Shop

As you can see our new team has much to plan, but all this great work will only succeed when we truly believe that we all have a responsibility in making our school grow **"GOOD to GREAT"**.

#### ADVENT:

Recently I met with some fine parents who measured our response to Easter and Christmas by the nature of our **Easter Parade and Christmas Concert**. Yes, these can be considered special events but the teaching

and giving witness to the **Life, Death and Resurrection of Jesus** is a daily event at St Michael's. The sharing of our Faith and celebrating the "Love God has for all of us", is experienced each day in our Religious Education lessons, through our school prayer assemblies and within all our teaching. Easter, Advent and Christmas are part of the rich programmes our children experience through the **Sacraments, Gospel Reflection** and in the sharing of **Life Experiences**.

I hope you can take some time out to read the first in a series of short articles in understanding and reflecting on the season of Advent.

Regards

John Laffan

## CHRISTMAS CAROLS

## ADVENT

**The Origins of Advent:** The first signs of what we now call "Advent" appeared in the latter part of the 300's in the Christian communities of Spain and Gaul (present-day France and parts of Germany). It was in some places a two to three-week preparation for the rites of Christian initiation celebrated in these regions at the feast of Epiphany. This preparation seems to have involved not only those who were going to be baptized but also in various ways the whole community.

**Christ, The Unconquered Light Of The World:** But why Epiphany and not the Easter Vigil as the most auspicious time for conferring the sacraments of Initiation?

The simplest and shortest answer to this is to point to the theme of Light and the belief that Baptism means to be enlightened by Christ. And in the northern hemisphere, the Christmas/Epiphany season depends upon the event of the winter solstice, when the sun begins its "ascent", the days begin to get longer, and the darkness is "conquered" by the Light of Christ. According to the old calendars this winter solstice was calculated as taking place on 25 December, and not, as our modern calendar determines, 21 December. So from the early 300's in Europe, Christmas was made to coincide with the solstice because it meant that Christ the Light had come into our world and would continue to conquer the darkness of sin, year after year - the Christ, the Son of God, our Saviour.

Gradually, as time went on, the custom of group Baptism at Epiphany waned. But the theme of baptism and conversion of heart, mind, and action remained embedded in the character of this special time. In time, Advent took on the character familiar to us, as preparation for the feast of the Lord's Coming in the flesh. Its length varied from six weeks to four weeks depending on regional customs, until it reached its present fixed form of four weeks.

## RE News

The season of Advent began this week and continues through the four Sundays of Advent and ends at Christmas Eve. The first week of Advent focuses on the return of the Lord and the following weeks focus more specifically on the anticipation of the birth of Jesus. Rather than simply commemorating an historical event, Advent is a time of preparing our hearts to 'receive' Jesus into the world each year. Advent is traditionally marked by the colour of violet – the same colour as used in Lent.

Please support our Christmas Appeal which supports St Michael's Blacktown South St Vincent De Paul Conference. All non perishable items should be sent to school before next Wednesday.

## Library News

### END OF YEAR IN THE LIBRARY

Dear Parents,

At this time of year, I need to get ALL Library books back for Stocktake and repairs. Could you please help your children find any books they have and return them as soon as possible.

Unfortunately, quite a few books seem to be "overdue". Reminder notes will be sent out this week, but if those books are not returned, I will have to ask for payment to replace them.

**HELPERS:** I would like to say a BIG THANKYOU to all the parents who have helped in the Library throughout 2011 in any way – covering books, helping with Book Clubs and Book Fairs, and to those who have donated books. I really appreciate your help, and Staff and students receive great benefit from your efforts.

Judy Buhagiar  
TEACHER LIBRARIAN

## Canteen

**As we have only two and a half weeks left we will be running out of hot food so please put a substitute on your orders. The last week most likely will be sandwiches, wraps and salad boxes. Please substitute these for all hot food items.**

Jan Crawford  
CANTEEN MANAGER

## P & F News

Last Wednesday night the P&F held a General Meeting and elected the new committee for 2012. Congratulations to Jenny and the remainder of the committee. I pray for a successful year for yourselves, and the school community. I look forward to the opportunity to help the new committee over the next few weeks. Once again I would like to thank the outgoing committee for their service to the school during their position holding office. Parent helpers morning tea will be held 8th Dec in the staff room. If you helped as a volunteer in the school please come along. This is my last newsletter. I would like to thank the community for their support and help over the last 5 years. Helping the school to help the children has been my focus. A number of parents have always helped to achieve this goal. Thank you I know your support for the school and P&F will continue.
