NEWSLETTER

2016 - ISSUE II

26th July 2016

From the Principal

Dear Parents and Friends,

As we now are commencing our second semester, our work is to keep our 2016 Goals and strategies in clear focus.

Religious Education:

In 2016, support growth of staff and students capacity to **interpret Gospel** at an inferential level and connect it to their daily interaction and prayer.

Literacy:

In 2016—90% of students will increase their **reading comprehension** skills to be at or above grade level as measured by the DEC continuum, PatR-grade Scale score and Diocesan Reading Profiles.

Numeracy:

In 2016 with a focus on 'Rich Tasks' - 90% of students will progress at least 1 Growth Point across all domains and vulnerable children will have accelerated growth. This growth will be measured according to MAI data and syllabus outcomes. (This is all about **comprehending the problem.**)

These Goals all have a focus on the building of *Comprehension Skills*. The '*symphony of skills*' begin from day 1 in Kindergarten and continue throughout our student's learning journey.

These skills include:

- Activating Prior knowledge
- Self-Monitoring
- Visualising
- Predicting
- Inferring
- Synthesizing
- Questioning
- Summarising

Success of all our goals will be supported by the '*whole village*' approach. In other words your work at home will support our work at school. I invite you to support our work in building comprehension skills by:

- Reading with and to your child each day

LOVE ONE ANOTHER

- Talking about the book, inviting your child to share their thoughts, insights and predictions.
- When reading through the book, take time to investigate unfamiliar words. Talk about these words, use them so as to reinforce their meaning.
- Use the book to talk about your experiences, the families and your child's.

Have *fun* in *talking* about all aspects of the book including, *pictures, blurb, style and purpose*.

SCHOOL SAFETY

When you came to enroll your child at St Michael's you asked that we '*keep your child safe*.' The safety and wellbeing of our students is a constant focus of our work.

In 2016 we are working at securing our school site. We need your continued support in following our '*kiss and drop*' protocols.

1. **All visitors must report to reception and be signed in.**
2. **No dogs are allowed on the school property.**
3. **No smoking on school property.**

This school is protected by the "Inclosed Protection Act."
Unauthorised entry is a Criminal Offence.

Keeping our children safe is our work. Our gates and doors will always be open for;

- Parent-Teacher interviews
- Assemblies
- Special events
- Liturgies
- Open days

But under the "Act" we need to restrict all
"Unauthorised" movement within our school.

"Love One Another"

John Laffan
PRINCIPAL

From the Assistant Principal

Dear Parents and Friends,

Thank you

I want to thank the many parents who support our school in many ways. The parents who help with kiss and drop, coaching sporting teams, driving children to sporting events, covering books, helping in the classrooms and canteen to name a few.

Your valuable support is appreciated and makes a difference to the lives of all our children.

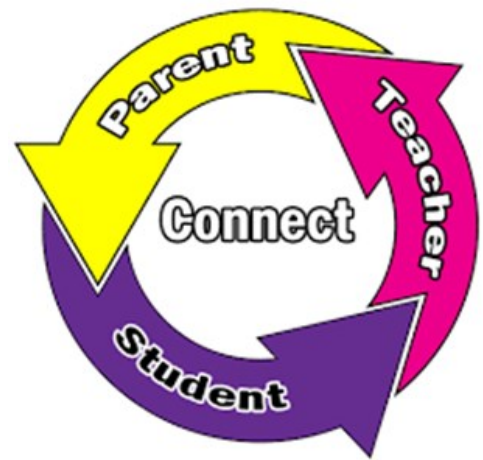

Grade Communication

Shortly we will be sending home a grade overview for all Key Learning Areas for each grade. This will give parents valuable information about what each grade will be learning about this term.

We encourage you to talk to your children about what they are learning. Some questions you could ask:

- How are you going?
- What are you learning?
- How do you know?
- How can you improve?
- Where do you go for help?

1 2 3 Magic Parenting Course

I encourage you to consider booking through the office on 9622 9910 to attend the 1 2 3 Magic Parenting Course. It is an opportunity to learn:

- How to discipline without arguing, yelling or smacking
- How to sort behaviour
- How to handle challenging and testing behaviours
- Choosing your strategy, the three choices
- Using emotion coaching to encourage good behaviour
- 7 tactics for encouraging good behaviour

It will be run over 3 sessions Wednesday 17th August, Wednesday 24th August and Wednesday 31st August at 1pm-3pm.

If you have any questions or want to know more about 1 2 3 Magic please come and see me. The course comes highly recommended!

Have a great week!

Katherine McKay

RE News

In today's gospel, Jesus provides his disciples, and all Christians, with a model for prayer. In keeping with this modelling by Jesus, it is significant that the Lord's Prayer, or Our Father, is the common prayer of all Christians, regardless of denomination.

The parable and teaching that follow the Lord's Prayer make clear the particular purpose of prayer that Jesus was highlighting – prayer as petition. In this instance, Jesus assures us that if we pray for what we need with conviction and confidence, then God cannot fail to respond to our prayer. Jesus in fact encourages us to be demanding and persistent in our prayer. However, the parable used to demonstrate the persistent nature of prayer is not focused on demands for selfish purposes, but rather the neighbour needs assistance in fulfilling his obligations of hospitality to a traveller. He is not waking his neighbour in the middle of the night to ask for bread for himself; he asks for bread to give to his guest. He asks for help to fulfil his duty and responsibility. This gives us something of an idea about how we might focus our prayer. Praying for a new car or new clothes just isn't quite in the same league!

MARY, QUEEN OF THE FAMILY PARISH, BLACKTOWN

Our Parish Mission Statement

Mary, Queen of the Family Parish is a welcoming, diverse, multicultural, Catholic community. We seek to live, teach and share the joy of the Gospel: to grow as disciples of Jesus through prayer, witness and action and to respond to the needs of the family in the Blacktown community and beyond.

We acknowledge the Darug people, the traditional custodians on whose land we worship.

It is great to have you here in the MQOF parish community!

World Youth Day Bound!

A word from Alison ... In 1984 over 300,000 young people from around the world responded to the invitation of Pope John Paul II for an International Jubilee of youth on Palm Sunday in St. Peter's square. At this gathering that the Holy Father entrusted to the youth of the world with what is now known as the World Youth Day Cross, to be carried throughout the world as a symbol of the love of Christ for all humanity. But that was just the beginning!

In 1985 the Pope announced the institution of "World Days of Youth" and now, every Palm Sunday, the Church celebrates World Youth Day, with local events in our diocese. But some years are celebrated as International World Youth Days. There have been 12 of these celebrations, all around the world! And this year we are heading to Krakow Poland as we continue to answer the invitation of the Holy Father, Pope Francis, and join with him and over 2 million other young Catholics from around the world!

Right now, I am on pilgrimage, in the footsteps of St John Paul II through Poland, with about 350 young people from the Parramatta Diocese and I feel so blessed to be journeying with other young people (a number from our parish and schools) to experience this amazing gathering of our universal Church. I ask that you keep us all in your prayers during our time on pilgrimage to the City of Mercy! Please be assured that I will be praying for you all too. **Alison**

SOCCER NEWS

At the end of Term Two we had both a boys and girls stage 2 soccer team attend a gala day. There were lots of fantastic soccer skills on display throughout the day. The children played with a great attitude and showed fantastic sportsmanship in each game they played. Thank you to the parents who came along and supported the children on the day, and an extra thank you to those who transported other children to and from the venue.

The girls team had a busy schedule with 7 games played on the day, they had some mixed results with some very close scores. The improvement from game 1 to game 7 was huge,

all of the girls played in different positions on the day and the joy on their faces when a goal was scored was priceless.

The boy's team had a very successful day coming out on top of their pool and being declared pool winners! They played some outstanding soccer on the day and showed some great skill. They fought really hard to compete in each match and received a wonderful result for their efforts.

A big thank you to Mr Kutnjak who gave up many lunchtimes supporting the PE teachers by attending training sessions and coming along to the gala day. Your knowledge and support was very much appreciated.

BOYS STAGE 3 SOCCER... The weather has unfortunately cancelled this gala day on 2 occasions, as soon as we have a confirmation of the new date a note will be sent home with those children.

NRL Backyard League Program

Students in years 3 to 6 have been participating in the backyard league program during their sport lessons. This week is the final week of this program and the children have really enjoyed having visitors from the NRL. It has been wonderful to see the smiles on the student's faces, hear the laughter and encouragement from within each group. We thank David Baysarri and his staff from the NRL who have conducted the lessons with the children and look forward to building a strong relationship with this organisation.

BUILDING CHILD SAFE COMMUNITIES – NEW FORMS FOR ALL VOLUNTEERS AND CONTRACTORS

'Building Child Safe Communities' is a new initiative developed by Catholic Education Diocese of Parramatta that enhances our commitment to ensuring the safety and wellbeing of all students in our care. It is now a requirement that all volunteers and contractors complete an online undertaking form that confirms expectations in relation to behaviour whilst volunteering or contracting at schools, Catholic Out of Schools Hours Care and Catholic Early Learning Centres. This undertaking form also seeks to determine the suitability of volunteers and contractors by requiring them to declare that they do not have a criminal history involving children.

- **Volunteers** – please click on '[Building Child Safe Communities – Undertaking for Volunteers](#)' or access the form via the Catholic Education Diocese of Parramatta public webpage <http://www.parra.catholic.edu.au>, then click on 'Child Protection Training Forms' (halfway down page on the right hand side).

Then click on '[Volunteer Form](#)' (halfway down page).

You will receive a confirmation email once the form has been submitted. Your details are maintained confidentially in a central database and a copy of your confirmation is emailed to the location where you are volunteering.

- **Contractors** – please click on '[Building Child Safe Communities – Undertaking for Contractors](#)' or access the form via the Catholic Education Diocese of Parramatta public webpage <http://www.parra.catholic.edu.au>, then click on 'Child Protection Training Forms' (halfway down page on the right hand side).

Then click on '[Contractor Form](#)' (bottom of page).

You will receive a confirmation email once the form has been submitted. Your details are maintained confidentially in a central database and a copy of your confirmation is emailed to the location where you are contracting.

A new form is required:

- For each location that you are a volunteer or contractor
- If any of the details you have provided on the form change

We thank all volunteers and contractors for their continued support of Catholic Education.
